CMS recommendation: "As a result of the Shakman litigation and the subsequent review of exempt positions by the Shakman Special Master, OEIG's Hiring and Employment Monitoring Unit (HEM), and the Department of Central Management Services, the Acting Director is recommending 4d(3) exemption for the positions [above]. The inquiry conducted by DCMS, OEIG's HEM and the Shakman Special Master revealed that the positions referenced [above] perform duties and exercise sufficient authority that they should be at will."

VI. <u>CLASS SPECIFICATIONS</u>

A. Governing Rule – Section 1.45 Classification Plan

The Commission will review the class specifications requiring Commission approval under the Classification Plan and will approve those that meet the requirements of the Personnel Code and Personnel Rules and conform to the following accepted principles of position classification:

- a) The specifications are descriptive of the work being done or that will be done;
- b) Identifiable differentials are set forth among classes that are sufficiently significant to permit the assignment of individual positions to the appropriate class;
- c) Reasonable career promotional opportunities are provided;

- d) The specifications provide a reasonable and valid basis for selection screening by merit examinations;
- e) All requirements of the positions are consistent with classes similar in difficulty, complexity and nature of work; and
- f) The relation of the class specifications to any applicable collective bargaining agreement.

The following class titles were submitted for creation and revision by the Director of the Illinois Department of Central Management Services (CMS):

B. Assignment Coordinator (revise)

CMS Classification Analysis: "The Illinois Department of Corrections requested several minor changes to the class specification to reflect a change in offender sentence reduction time that may be awarded. Meritorious Good Time and Supplemental Meritorious Good Time sentence credits have been replaced with Earned Discretionary Sentence Credit (EDSE), and those changes have been made to the class specification.

Another class specification language change accurately updates the hierarchy involved in the EDSE approval process, changing from ' ... for Director's approval' to ' ... on behalf of the Chief Public Safety Officer.' Other minor changes were made to the class specification as well to improve clarity."

C. <u>Insurance Company Financial Examiner Trainee (revise)</u> <u>Insurance Company Field Staff Examiner (revise)</u> <u>Insurance Financial Specialist (create)</u>

CMS Classification Analysis: "The Department of Insurance (DOI) requested a class study to determine the best approach to staffing an expanding financial analysis program area within the DOI's Financial/Corporate Regulatory Division. These positions are responsible for the analysis of the financial operations of insurance companies to evaluate their overall financial health and compliance with the Illinois Insurance Code. In the course of the study, two classes that currently exist within the State of Illinois Classification Plan, the Insurance Company Financial Examiner Trainee (ICFET) and the Insurance Company Field Staff Examiner (ICFSE), were identified as appropriate classes to provide the introductory and basic working levels for some of the position needs of the agency along with agreement between the DOI and the Department of Central Management Services (DCMS) that updates be proposed to the content of those class specifications.

An advanced level class specification entitled Insurance Financial Specialist is also proposed. The Insurance Financial Specialist is required to analyze and evaluate the financial and non-financial documents, annual statements and reports submitted by insurance companies under review to determine compliance with the Illinois Insurance Code and applicable laws, rules, regulations and current acceptable accounting practices. This classification level is also responsible for coordinating projects and providing lead work and guidance to lower level examiners. The scope and degree of difficulty of this work places it outside the Insurance Company Field Staff Examiner class specification and any other current class within the State of Illinois Classification Plan, thus the Insurance Financial Specialist has been developed."

WILL THE COMMISSION APPROVE THE CREATION AND REVISION OF THE FOLLOWING CLASS TITLES TO BE EFFECTIVE ON NOVEMBER 1, 2019?

- **B.** Assignment Coordinator (revise)
- C. Insurance Company Financial Examiner Trainee (revise) Insurance Company Field Staff Examiner (revise) Insurance Financial Specialist (create)

WILL THE COMMISSION DISAPPROVE ANY CLASS SPECIFICATIONS RECEIVED BY THE COMMISSION STAFF BUT NOT INCLUDED IN THIS AGENDA TO ALLOW ADEQUATE STUDY?

VII. <u>PERSONNEL RULES</u>

A. <u>Civil Service Commission Governing Rule – Section 1.310 Personnel Rules</u>

Such proposed new rules or amendments of existing rules submitted to the Commission shall be accompanied by a report of proceedings attending the prior public hearing required by law with respect to them. If the Commission does not disapprove new rules or any amendment to existing rules within 30 days following the receipt from the Director of Central Management Services, the new rules or amendments have the force and effect of law after filing by the Director with the Secretary of State.
