 - 6) The placement of the position on the organizational chart of the agency, board or commission;
 - 7) The mission, size and geographical scope of the organizational entity or program within the agency, board or commission to which the position is allocated or detailed.
- b) The Commission may, upon its own action after 30 days notice to the Director of Central Management Services or upon the recommendation of the Director of the Department of Central Management Services, rescind the exemption of any position that no longer meets the requirements for exemption set forth in subsection (a). However, rescission of an exemption shall be approved after the Commission has determined that an adequate level of managerial control exists in exempt status that will insure responsive and accountable administrative control of the programs of the agency, board or commission.
- c) For all positions currently exempt by action of the Commission, the Director of Central Management Services shall inform the Commission promptly in writing of all changes in essential functions, reporting structure, working title, work location, position title, position number or specialized knowledge, skills, abilities, licensure or certification.
- d) Prior to granting an exemption from Jurisdiction B under Section 4d(3) of the Personnel Code, the Commission will notify the incumbent of the position, if any, of its proposed action. The incumbent may appear at the Commission meeting at which action is to be taken and present objections to the exemption request.

B. Requests for 4d(3) Exemption

- As to Item C, this request is for the Information Technology Director at the Department of Insurance, a position that reports to the Chief Deputy Director who reports to the Director. This position essentially functions as the Chief Information Officer for the agency, a function that has historically supported principal policy exemption. For this reason, Staff recommended approval of this request. There was some concern that it may ultimately be included in the Senior Public Service Administrator bargaining unit and the agency has been advised that if that occurs, it may have a negative impact on its continued exemption. The agency advised Staff that it is proceeding with a request that it be excluded from any bargaining unit.
- As to Item D, this request is for the Central Deputy Director at the Department of Corrections, a position that reports to the Chief of Operations who reports to the Executive Assistant who reports to the Director. With this request, the agency is seeking to add a geographical Deputy Director for the Central region which would be on the same organizational level and have the same responsibilities as the current North and South Deputy Directors, both of which are 4d(3) exempt. These Deputy Directors have principal policy responsibility in that they function as the immediate liaison for the Correctional Institutions under them to the agency's statewide leadership team. There is a relatively new Director at Corrections and he has instituted this minor reorganization. In the past, there have been as many as four regional 4d(3) exempt positions that performed this function and now there will be three. The only difference is that there now exists an additional 4d(3) exempt position in the reporting structure between these Deputy Directors and the agency Director – the Executive Assistant position – which places these Deputy Directors three levels removed from the Agency Director. Considering the history of these functional positions, Staff recommended approval of this request. Staff has been assured that no further requests tied to any reorganization under this new Director are anticipated. In response to a question from the Chairman, Anne McElroy, Chief of Labor Relations for Illinois Department of Corrections, indicated that these positions have been filled by long-time career employees at the agency.
- As to Item E, this request is for the Illinois Correctional Industries (ICI) Financial Officer at the Department of Corrections, a position that reports to the ICI Chief Executive Officer who reports to the Director. The fiscal officer of a specific program in an agency would not normally qualify for exemption, especially when the agency already has a 4d(3) exempt overall Chief Fiscal Officer. However, in 2010 the legislature passed Public Act 96-877 which addressed the mission of the ICI. This Act also specifically provided that its fiscal processes are to be "separate and apart" from that of Corrections. Considering this legislative mandate along with the size of the program 950 inmate employees, 150 state employees, and a \$48,000,000 budget Staff recommended approval of this request. Chairman Kolker noted how the legislation changed the framework of the program. Tim Gleason, Chief Executive Officer of ICI, added that they had \$45,000,000 in sales the past two years. Commissioner Dalianis inquired as to what items the ICI produces. Gleason listed office equipment, dormitory furniture, optical products,

metal fabrication, and uniforms as just some of the products it sells. In response to a question from Chairman Kolker, Gleason acknowledged that announced facility closures would affect the program.

- As to Item F, this request is for the Chief Labor Relations Administrator for the Department of Children and Family Services, a position that reports to the Deputy Director of Human Resources who reports to the Director. This position is responsible for all labor relations programs within the agency including conducting contract negotiations with the authority to bind the agency. Considering that the Commission has historically approved such positions in the past, Staff recommended approval of this request.
- As to Item G, this request was withdrawn.
- As to Item H, this request is to reinstate the exemption for the Manager of the Office of Community Outreach in the Department of Natural Resources. This exemption was rescinded on November 19, 2010 due to extended vacancy. The agency had not responded to the Commission's notice of the proposed rescission. However, it was recently discovered that the position was not vacant at the time it had been filled on March 1, 2010 but that information had yet to be posted on the system. The agency is requesting that the rescission be reversed retroactive to November 19, 2010. Staff recommended approval of this request.
- As to Item I, this request is for the rescission of the exemption of the Assistant Center Director for the Ludeman Developmental Center at the Department of Human Services. This is in line with an agreement reached with the agency when the Commission approved the exemption for the Associate Deputy Director of State Operated Developmental Center Operations in June 2010. Staff recommended approval of this request.

Executive Director Daniel Stralka followed up on an exemption granted on May 20, 2011 for the Coordinator of Real Estate Appraisal in the Department of Professional Regulation. This was a statutory position which had been amended to reflect that the position went from a four-year term to "a position subject to the Personnel Code." An issue arose at that time whether the position would qualify for exemption under this language. After the Staff analysis suggested it would, the Commission granted the exemption request. Upon an inquiry from the Chairman, the agency inquired of the legislative sponsor if they were agreeable with that interpretation. The sponsor responded affirmatively and the agency forwarded that information to Commission Staff. This is being made of record should any future requests be submitted for positions with similar statutory language.

XI. FY 2011 ANNUAL REPORT

IT WAS MOVED BY COMMISSIONER PETERSON, SECONDED BY COMMISSIONER EWELL, AND THE MOTION ADOPTED 5-0 TO APPROVE THE FISCAL YEAR 2011 ANNUAL REPORT.

XII. STAFF REPORT

Executive Director Daniel Stralka reported:

• SB2972 which affects holdover Commissioners has an effective date of August 26, 2011. The Governor must make new appointments by October 25, 2011 or all holdover Commissioners will cease to serve by operation of law.

- The Governor announced the planned layoffs of 1938 State employees due to lack of funds. Included in that number was the planned layoff of one employee of the Commission. Additional details of the Commission's layoff plan were provided to all Commissioners who then engaged in a general discussion of actions that may be taken to avert this layoff given the Commission's history of fiscal stewardship and anticipated dramatic increase in appeals that traditionally accompanies such mass layoffs.
- The Auditor General recently released is Management Audit of 309 State Boards and Commissions for fiscal years 2007 through 2009. This report noted that the Civil Service Commission met its statutory meeting and work product requirements for this period of time and had no Commissioner vacancies.
- The Commission recently filed its 2011 Affirmative Action plan.
- The SECA campaign for this year began September 9. Donation forms will be mailed to Commissioners prior to the next meeting.
